

July 4th, 2019

Dear Players,

Re: OneAsia™ 2019-2020 Opening Tournament

Further to my recent communications I am very pleased to announce the season opener for the OneAsia Professional Golf Tour will now take place as follows:

Tournament Name:	Langkawi Masters, Kedah
Prize Fund:	US\$ 1,000,000
Tournament Date:	15 th -18 th August 2019
Venue:	The Els Club, Teluk Datai, Langkawi
Conditions:	156 Players, cut to 65 Professionals & Ties after 2 Rounds
Method of entry:	Official Entry Form
Closing date:	5 th August.

The official entry form together with the fact sheet are attached.

I am also very happy to announce that we have already secured tournament opportunities up to the end of the current season, March 2020.

To start there will be another two tournaments following this in the first round of tournament dates and we are currently in the final stages of negotiations with the sponsors/host. This is to ensure that these tournaments are held closer to the above dates to make it easier for our members to plan their travels and be more cost effective. We will always try to facilitate the best for our members.

There will be an international press announcement very soon to introduce our new schedule to the world of golf as well as our Royal Patron.

Once again, I do fully appreciate the frustrations of our members and despite efforts from certain quarters we will not be prevented from bringing Asian Golf the best in tournaments and prize money as will be shown at the Tour opener; The Langkawi Masters, Kedah.

Please note that we will be announcing the second round of tournaments to take us up to our year end of March 31st, 2020 later in the year and again we will try to get the best dates to facilitate our members better.

For now, if you have any questions please do not hesitate to email us at info@oneasia.golf and your questions/comments will have our prompt attention.

With kind regards

Kuma Krishna Muthuraja
